Dear Shareholder

2015 ANNUAL GENERAL MEETING

This year's annual general meeting will be held at Deutsche Bank AG, Winchester House, 1 Great Winchester Street, London EC2N 2DB on Thursday 7 May 2015 at 11.00am.

The notice convening the meeting is set out on pages 7 to 11. An explanation of the business to be considered at the meeting, including information on the directors standing for re-appointment, is contained on pages 2 to 6.

The Board recommends that shareholders vote in favour of all the resolutions being proposed at the annual general meeting, each of which they consider to be in the best interests of shareholders as a whole. The directors intend to vote their own shares in favour of each resolution.

Voting on the various resolutions will be on a poll. If you cannot attend the meeting, you can appoint a proxy in accordance with the relevant instructions, so as to be received as soon as possible and by no later than 11.00am on Tuesday 5 May 2015. Further information on the various ways you can appoint a proxy is given in note (3) to the Notice of Annual General Meeting on page 10. The appointment of a proxy will not preclude you from attending and voting at the meeting.

Yours sincerely

Peter Erskine

Chairman

EXPLANATION OF THE BUSINESS TO BE CONSIDERED AT THE 2015 ANNUAL GENERAL MEETING

All resolutions will be proposed as ordinary resolutions, unless otherwise specified. For an ordinary resolution to be passed, more than half of the votes cast must be in favour of the resolution. Resolution 2: Approval of the final dividend

The directors recommend the payment of a final dividend of 4.60p on each of the ordinary shares entitled thereto. Subject to shareholders' approval, the final dividend is expected to be paid on 14 May 2015 to shareholders who are on the Register of Members at the close of business on 27 March 2015.

Resolutions 11 and 12: Re-appointment and remuneration of auditor

The Company is required by law to re-appoint the auditor at the annual general meeting. Resolution 11 approves the re-appointment of PricewaterhouseCoopers LLP as the Company's auditor until the conclusion of the next meeting at which accounts are laid. Resolution 12 authorises the Board to agree the auditor's remuneration.

Resolutions 13: Approval of the remuneration report

Resolution 13 seeks approval for the directors' remuneration report, which is set out on pages 52, 53 and 63 to 69 of the Annual Report and Accounts 2014.

Resolution 14: Political donations

It is the Company's policy not to make what are commonly regarded as donations to political parties and it is not intended to change that policy. The Companies Act 2006 includes very broad definitions of political donations and expenditure which may have the effect of covering a number of normal business activities that would not commonly be thought to be donations to political parties. These could include support for bodies engaged in law reform or government policy review, involvement in seminars and functions that may be attended by politicians and job exchanges between industry and government.

The directors consider that it would be prudent to obtain shareholder approval to incur a total expenditure of £50,000 to cover all these activities. The authority will expire on the date of the annual general meeting of the Company to be held in 2016, or, if earlier, on 30 June 2016.

There has been no expenditure under the authority obtained at the 2014 annual general meeting of the Company.

Resolution 15: Purchase of own shares

Shareholder approval is being sought for a general authority for the Company to make market purchases of its own shares. The authority in respect of 92,295,379 ordinary shares (10% of the Company's ordinary share capital in issue (excluding treasury shares) as at 10 March 2015 (the latest practicable date prior to the publication of this letter)) will run until the conclusion of the annual general meeting of the Company to be held in 2016 or, if earlier, 30 June 2016. The resolution specifies the maximum and minimum prices at which shares may be bought. There is no present intention to purchase shares and, if granted, the directors will exercise this authority only when to do so would be in the best interests of shareholders generally and was expected to result in an improvement in earnings per share. Shares purchased under this authority become treasury shares which the Company can cancel or hold for sale for cash or use to meet obligations under the Company's employee share schemes.

The total number of rights and options to subscribe for equity shares outstanding as at 10 March 2015 (the latest practicable date prior to the publication of this letter) related to 21,269,420 ordinary shares, representing 2.30% of the Company's ordinary share capital in issue (excluding treasury shares) at that time. If the full authority to purchase shares (both the existing authority and that sought at the 2015 annual general meeting) was used then those rights and options to subscribe for equity shares would represent 2.88% of the Company's issued share capital (excluding treasury shares) as at 10 March 2015.

Resolution 15 will be proposed as a special resolution.

Resolution 16: Authority to allot shares

Shareholders are being asked to give the directors a general authority to allot shares in the Company and to grant rights to subscribe for, or to convert any security into, shares in the Company. On this occasion: (a) the authority is to allot up to a maximum nominal amount of £87,167,847 representing 307,651,260 ordinary shares (one-third of the Company's ordinary share capital in issue (excluding treasury shares) as at 10 March 2015 (the latest practicable date prior to the publication of this letter)); and (b) in addition, but only in connection with a rights issue of equity securities, up to a further maximum nominal amount of £87,167,847 representing 307,651,260 ordinary shares (one-third of the Company's ordinary share capital in issue (excluding treasury shares) as at 10 March 2015 (the latest practicable date prior to the publication of this letter)).

The authority will lapse at the conclusion of the annual general meeting of the Company to be held in 2016, or, if earlier, on 30 June 2016. Your directors have no present intention of exercising the authority except in connection with the Company's employee share schemes.

As at 10 March 2015 (the latest practicable date prior to the publication of this letter), the Company held 31,760,568 treasury shares, which represented approximately 3.44% of the Company's issued share capital (excluding treasury shares), which the Company can cancel or hold for sale for cash or use to meet the obligations under the Company's employee share schemes.

Resolution 17: Disapplication of shareholders' statutory pre-emption rights

Shareholders are being asked to pass a resolution to empower the directors to allot equity securities, or sell treasury shares, for cash as if section 561(1) of the Companies Act 2006 (which gives shareholders certain pre-emption rights on the issue of shares or convertible securities) did not apply to any such allotment. The authority allows the issue or sale of ordinary shares on rights issues and other issues pro rata to existing entitlements (treasury shares are ignored when calculating pro rata entitlements), and also allows issues or sales for cash limited to shares having an aggregate nominal amount of £13,525,118 representing 47,735,716 ordinary shares (5% of the Company's ordinary share capital in issue (including treasury shares) as at 10 March 2015 (the latest practicable date prior to the publication of this letter) respectively).

The Company intends to comply with the principle on disapplying pre-emption rights set out by the Pre-emption Group that (in the absence of suitable advance consultation and explanation or the matter having been specifically highlighted at the time at which the request for disapplication was made) the Company should not issue more than 7.5% of its ordinary share capital for cash other than to existing shareholders in any rolling three year period.

This authority will expire at the conclusion of the annual general meeting of the Company to be held in 2016 or, if earlier, on 30 June 2016.

Resolution 17 will be proposed as a special resolution.

Resolution 18: Notice of shareholder meetings

The notice period required for shareholder meetings of the Company is normally 21 days but shareholder meetings (other than annual general meetings) can be convened on 14 days' notice if shareholders' approval is obtained and the requirements for electronic voting under the Companies Act 2006 are met.

Your directors believe that the Company should have the flexibility to convene a shareholders meeting as quickly as the law allows. However, in accordance with The National Association of Pension Funds' guidance, this authority will not be used routinely and 21 days' notice will always be given unless the circumstances justify shorter notice. Accordingly shareholders are being asked to agree that a general meeting of the Company, other than an annual general meeting, may be called on not less than 14 clear days' notice. The authority will expire at the conclusion of the annual general meeting of the Company to be held in 2016, or, if earlier, on 30 June 2016.

Resolution 18 will be proposed as a special resolution.

Notes:

- (1) A shareholder entitled to attend and vote at the meeting may attend in person or appoint another person as their proxy to exercise all or any of their rights to attend, speak and, both on a show of hands and on a poll, to vote instead of them or it at the meeting and demand, or join in demanding, a poll. A shareholder may appoint more than one proxy in relation to the meeting provided that each proxy is appointed to exercise the rights attached to a different share held by the appointing shareholder. The proxy appointed by a member need not also be a member and the appointment of a proxy does not preclude a member from attending and voting in person at the meeting in respect of which the proxy is appointed or at any adjournment thereof. Shareholders, their proxies and other persons wishing to attend the meeting will be asked to identify themselves and register on arrival at the place where the meeting is to be held and to submit to such searches or other security arrangements or restrictions as the directors shall consider appropriate in the circumstances; those intending to attend the meeting are asked to arrive at the place where the meeting is to be held at a time before the time of the meeting which allows a reasonable time to comply with these procedures. Each shareholder attending the meeting is requested to bring the personalised Attendance Card attached to the proxy form.
- (2) In the case of joint shareholders, the vote of the first named in the register of members of the Company who tenders a vote, whether in person or by proxy, shall be accepted to the exclusion of the votes of other joint holders.
- (3) To be valid, a proxy form and the original (or a certified true copy) of any power of attorney or other authority under which the proxy form is signed must be deposited at the office of the Registrar, whose address is shown on the enclosed reply paid envelope, no later than 11.00am on Tuesday 5 May 2015 (or, in the event of an adjournment, the time which is 48 hours before the adjourned meeting). A proxy form for use by the shareholder named in it accompanies this Notice of Annual General Meeting.

Alternatively, shareholders may also complete the proxy form online at www.investorcentre.co.uk/eproxy by following the instructions on the proxy form or, if you have registered for the electronic shareholders' communications service, on the email sent to you by the Company.

CREST members can appoint a proxy using the CREST electronic proxy appointment service in accordance with the procedures set out in note (5).

- (4) The right to vote at the meeting (or any adjourned meeting) is determined by reference to the register of members. Under Regulation 41 of the Uncertificated Securities Regulations 2001, only shareholders included in the register of members of the Company at the close of business on Tuesday 5 May 2015 (or, in the event of an adjournment, the close of business on the date which is 48 hours before the time of the adjourned meeting) are entitled to attend or vote at the meeting in respect of the shares registered in their names at that time. Changes to entries on the register after the relevant deadline shall be disregarded in determining the rights of any person to attend or vote at the meeting (or adjourned meeting).
- (5) CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the meeting and any adjournment(s) of it by using the procedures described in the CREST manual. CREST personal members, sponsored CREST members and CREST members who have appointed a voting service provider(s) should refer to their CREST sponsor or voting service provider(s) who will be able to take the appropriate action for them.

To complete a valid proxy appointment or instructions using the CREST service, the CREST message (a 'CREST Proxy Instruction') must be properly authenticated in accordance with Euroclear UK & Ireland Limited's specification and must contain the information required for such instructions, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted and received by the Registrar 48 hours before the time fixed for the meeting (or any adjournment thereof). The time of receipt of the instruction will be the time (as determined by the timestamp applied to the message by the CREST applications host) from which the Registrar is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time, any change of instructions to proxies appointed through CREST should be communicated to the proxy another way.

CREST members and, where applicable, their CREST sponsors or voting service provider(s), should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will apply to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to ensure that his CREST sponsor or voting service provider(s) take(s)) the necessary action to ensure that the message is transmitted by means of the CREST system by a particular time. CREST members and, where applicable, their CREST sponsors or voting service provider(s) should refer to the sections of the CREST Manual concerning practical limitations of the CREST system and timings.

The Company may treat a CREST Proxy Instruction as invalid as set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

- (6) Any corporation which is a member can appoint one or more corporate representatives who may exercise on its behalf all of its powers as a member provided that they do not do so in relation to the same shares.
- (7) The above statement as to proxy rights does not apply to a person who receives this notice of general meeting as a person nominated to enjoy 'information rights' under section 146 of the Companies Act 2006 (the 'Act'). If you have been sent this notice of meeting because you are such a nominated person, the following statements apply: (a) you may have a right under an agreement between you and the member of the Company by whom you were nominated to be appointed or to have someone else appointed as a proxy for this general meeting; and (b) if you have no such right or do not wish to exercise it, you may have a right under such an agreement to give instructions to that member as to the exercise of voting rights.

If you have been nominated to receive general shareholder communications directly from the Company, it is important to remember that your main contact in terms of your investment remains the registered shareholder or custodian or broker who administers the investment on your behalf. Therefore, any changes or queries relating to your personal details and holding (including any administration) must continue to be directed to your existing contact at your investment manager or custodian. The Company cannot guarantee to deal with matters that are directed to it in error. The only exception to this is where the Company, in exercising one of its powers under the Act, writes to you directly for a response.

- (8) As at 10 March 2015 (the latest practicable date prior to the publication of this Notice of Annual General Meeting) the Company's issued share capital, including treasury shares, consisted of 954,714,360 ordinary shares of 28 $\frac{1}{3}$ p ('shares'), of which 31,760,568 shares were held in treasury, the voting rights of which are automatically suspended. Accordingly, the total number of voting rights in the Company as at 10 March 2015 was 922,953,792.
- (9) A copy of this notice, and the other information required by section 311A of the Companies Act 2006, can be found at www.ladbrokesplc.com/investors.
- (10) Any member attending the meeting has the right to ask questions. The Company must cause to be answered any question relating to the business being dealt with at the meeting, but no answer need be given if: (a) to do so would interfere unduly with the preparation for the meeting or involve the disclosure of confidential information; (b) the answer has already been given on a website in the form of an answer to a question; or (c) it is undesirable in the interests of the Company or the good order of the meeting that the question be answered.
- (11) Under section 338 and section 338A of the Companies Act 2006, members meeting the threshold requirements in those sections have the right to require the Company: (a) to give, to members of the Company entitled to receive notice of the meeting, notice of a resolution which may properly be moved and is intended to be moved at the meeting; and/or (b) to include in the business to be dealt with at the meeting any matter (other than a proposed resolution) which may be properly included in the business. A resolution may properly be moved or a matter may properly be included in the business unless: (a) (in the case of a resolution only) it would, if passed, be ineffective (whether by reason of inconsistency with any enactment or the Company's constitution or otherwise); (b) it is defamatory of any person; or (c) it is frivolous or vexatious. Such a request may be in hard copy form or in electronic form, must identify the resolution of which notice is to be given or the matter to be included in the business, must be authorised by the person or persons making it, must be received by the Company not later than 25 March 2015, being the date six clear weeks before the meeting, and (in the case of a matter to be included in the business only) must be accompanied by a statement setting out the grounds for the request.
- (12) Shareholders should note that it is possible that, pursuant to requests made by shareholders of the Company under section 527 of the Companies Act 2006, the Company may be required to publish on its website www.ladbrokesplc.com a statement setting out any matter such shareholders propose to raise at the annual general meeting relating to: (a) the audit of the Company's accounts (including the auditor's report and the conduct of the audit) that are to be laid before the annual general meeting; or (b) any circumstance connected with an auditor of the Company ceasing to hold office since the previous meeting at which annual accounts and reports were laid in accordance with section 437 of the Companies Act 2006. The Company may not require the shareholders requesting any such website publication to pay its expenses in complying with section 527 or 528 of the Companies Act 2006. Where the Company is required to place a statement on a website under section 527 of the Companies Act 2006, it must forward the statement to the Company's auditor not later than the time when it makes the statement available on the website. The business which may be dealt with at the annual general meeting includes any statement that the Company has been required under section 527 of the Companies Act 2006 to publish on its website.
- (13) Copies of the service contracts and letters of appointment of the directors of the Company will be available for at least 15 minutes prior to the meeting and during the meeting.
- (14) You may not use any electronic address provided either in this Notice of Annual General Meeting or any related documents (including the Chairman's letter and proxy form) to communicate with the Company for any purposes other than those expressly stated.
